

PREMIX BLENDS

Whole food-derived, dietary premix blends – the ultimate in efficient, clean-label nutrition.

RFi introduced our line of pre-blended powders to save our customers money, time and effort. These USDA organic certified blends are made from our high-quality ingredients, including fruit and vegetable powders, cereal grasses and greens, dietary fibers and protein powders. We also have unique fermented blends that can differentiate your product on the market.

Premix Blends to Choose From:

FermaPro® Fermented Organic Fruit & Vegetable Premix Blend
FermaPro® Fermented Grasses Premix Blend
Sourcestainable® Organic Greens Premix Blend
Sourcestainable® Organic Fruit Premix Blend

Sourcestainable® Organic Vegetable Premix Blend
Sourcestainable® Organic Fruit & Vegetable Premix Blend
Vegan Sourcestainable® Organic Protein Premix Blend
Sourcestainable® Organic Fiber Premix Blend

Benefits of an RFi pre-blend versus individual ingredients:

- ▶ Reduces the number of ingredients to qualify, order and stage for production
- ▶ Simplifies inventory management
- ▶ Costs substantially less and decreases the time involved in material testing for each order
- ▶ Plug & Play Formulation: these blends can be used as a base for multiple formulas; they do not contain flavor or sweetener so you can customize your products
- ▶ Cuts down on ingredient sourcing for new projects

Free from GMOs, extensive processing and fillers, our premix blends are on-trend and deliver the best in whole food nutrition:

- ▶ Digestible Vegan Proteins
- ▶ Phytonutrients
- ▶ Vitamins
- ▶ Dietary Fiber
- ▶ Micronutrients
- ▶ Minerals

Each blend is formulated to provide key essential nutrients while simultaneously addressing texture and digestibility.
